DRAWINGS AND SPECIFICATIONS  
RD-33/758 TREMONT STREET

---

SUMMARY: This memorandum requests that the Authority finally designate James F. Stone as Redeveloper of Parcel RD-33 in the South End Urban Renewal Area.

---

Parcel RD-33 is a 5 story brick residential building consisting of 2,227 square feet and is located at 758 Tremont Street in the South End Urban Renewal Area.

James F. Stone has been tentatively designated by the Authority as Redeveloper for the rehabilitation of 758 Tremont Street as a four (4) unit dwelling. One unit will be owner occupied.

Mr. Stone's proposal calls for the rehabilitation of this structure at an estimated cost of \$68,000. The financing will be obtained through HUD Section 312 funding.

Final drawings and specifications have been reviewed and found acceptable by the Authority's Urban Design Department.

I, therefore, recommend that the Authority finally designate James F. Stone as Redeveloper of Parcel RD-33 in the South End Urban Renewal Area and that the Final Drawings and Specifications be approved.

An appropriate Resolution is attached.
